Work Experience

KPMG

Calgary, AB

Staff Accountant / Consultant

Sep 2023 - Jan 2025

- Conducted thorough audits of financial statements, ensuring accuracy and compliance with **GAAP, IFRS, and PCAOB/SEC** standards for both public and private clients ranging from **\$100M–\$300M**
- **Automated Excel** files using **Power Query** to clean large datasets by removing null values, duplicates, and blanks
- Performed financial analysis within **Excel** including trend, ratio, and variance analysis, to detect accounting discrepancies
- Assessed the integrity of a client's software access internal controls by reviewing access policies, testing segregation of duties, and evaluating financial reporting risks and material impact that could arise
- Used **Power BI** to visualize QoQ oil, gas, and NGL price variations from Sproule price decks (WTI, HH, etc.) to realized prices, delivering financial insights for publicly traded energy firms
- Utilized **SQL Database** querying to pull internal company information on oil and gas clients
- Served as the key liaison between clients' CFOs, Controllers, and KPMG leadership, ensuring seamless communication.

TRS Staffing Solutions

Calgary, AB

Accounting Assistant

Sep 2022 - Jan 2023
